As a follow up to the March 2nd Principals' meeting on the President's Infrastructure Initiative, we will be gathering in EEOB 472 at 2:00 p.m. on March 15th. The purpose of the meeting is to lay out in more detail how we plan on organizing this effort and the data gathering and policy coordination it will entail. This will be the first of many meetings as we try to pull together an integrated approach to infrastructure.

Attached please find an agenda for the meeting and list of participants (if you would like to add a participant, please contact Austin first as space is limited), the memo and presentation handed out at the Principals' meeting on March 2nd, some background on FPISC, and an Executive Order on high-priority projects.

In terms of your involvement, we would like to hear any ideas you have that fall into 6 categories outlined in the attached memo. This meeting will not be long enough for us to discuss any ideas in depth.

Instead, I would prefer to have you just give the group bullet points on potential avenues of exploration; so we are able to develop some synergy as a group.

If you have any questions, please reach out to Austin at austin_m_ramirez@(b) (6)

Thank you guys.

I've CC'd Samantha Dravis on this. She's the associate administrator for policy and handling much of the RFS issues in her office. Soon joining your team is Mandy Gunasekara who will also work in a number of air issues.

Ryan – I'm reaching out on behalf of my boss, Congressman Garret Graves (LA-6). He would like to get on the phone with the appropriate person at EPA to discuss the attached letter we sent to Administrator Pruitt on March 7. Local refiners, oil marketers, convenience stores and gas stations are heading into the summer months facing a mandate to lower the Reid Vapor Pressure (RVP) of gasoline. For the past 2 years the industry has been required to implement the lower RVP by the state DEQ. It can however be waived, and has been done so in several areas around the country (info below). EPA can provide the flexibility for the state to eliminate the requirement, and that is our ask. As summer is fast approaching, timing is of the essence. I have cc'd our scheduler who can provide the Congressman's cellphone number and otherwise handle logistics of setting up a quick call. Thank you very much for your help on this.

lan

BACKGROUND

- * Today, Reid Vapor Pressure (RVP) limits provide minimal benefit to ozone air quality because of improvements in vehicular emission equipment and the inability to blend ethanol lower than 8.8 RVP. These combined factors result in very few to no measurable benefits for ozone reduction.
- * Producing different RVP grades creates higher production costs for the refiner and these costs are passed on to the consumer (up to \$0.10/gallon).
- * Having different standards of RVP requires additional inspection and enforcement efforts.
- * RVP limits will not likely be considered an effective method to reduce ozone in the future, since the EPA recently strengthened the National Ambient Air Quality Standards (NAAQS) to 70ppb.
- * The 7.8 RVP requirement has been eliminated in other areas such as: Denver and Boulder, CO; Grant Parish, LA; Florida; Raleigh, Durham, and Chapel Hill, NC; Greensboro, NC; Winston and Salem, NC; High Point area in North Carolina; Jefferson and Shelby counties (Birmingham area) in Alabama; and Mecklenburg and Gaston counties in North Carolina. The EPA is currently considering eliminating the RVP requirement in Pittsburgh, PA, a city very similar to Baton Rouge, LA.

Coming to you first, and wanted to see if you have time to meet in the next week or so or if you could point us in the right direction for a meeting at EPA, especially on RCRA.

Our client Bloom Energy, a fuel cell manufacturer that runs its fuel cells on natural gas, has tried to work through EPA regulations and we would like to come in and discuss. Here is the short version: Bloom uses a de-sulfurization unit to extract sulfur from natural gas as it enters the fuel cell stacks. In doing so, the units capture a trace amount of benzene, a regulated chemical.

We'd love to talk to you or someone on your staff about this and can bring their General Counsel either next week (the 20-24) 27th or after April 4th. Let me know what works on your end.

All – Happy St. Patrick's Day! I know that I've spoken to some of you about pulling together a monthly COS lunch. My thinking was that it could benefit all of us to meet in a less formal/structured setting to talk policy, personnel, management, etc. To that end, I have reserved a room at Acadiana Restaurant (details below) for Friday, March 31. My thinking is that we could establish a standing lunch date (i.e. last Friday of the month) and go from there.

Congratulations on being awarded the best job in town. Of course also one of the most demanding. Any chance a few of my Chamber colleagues and I can get some time on your schedule this week or next? We don't have any asks, just looking to outline what we are doing and can do in support of Administrator Pruitt's agenda. Thanks

in advance. -christopher

The Administrator and his badged staffers will be dropped off on West Exec. in front of the West Wing. The visitors without badges will exit the vehicle at the West Exec. gate and will go through security. One member of our team will escort the Administrator and other badged staff into the Eisenhower Executive Office Building (EEOB). A second member of our team will escort the guests who need to go through security into the building (so that Administrator Pruitt does not have to wait). The meeting will be held in the EEOB in Room #208, known as Cordell Hull.

Subject: A brief call between Mr. Jackson & NYS DEC Commissioner

Seggos

Hi Aaron,

I appreciate you taking a moment to speak with me a moment ago. As I mentioned the New York State Dept. of Environmental Conservation Commissioner, Basil Seggos, would like to speak with Secretary Pruitt's Chief of Staff regarding the Hudson River NRD.

I am, hoping to find a time that works for both the COS and Commissioner to speak for about 10 mins either later today, tomorrow, or Wednesday morning. If you'll recall the Commissioner will be travelling tomorrow extensively in the Adirondacks and cell service isn't always a sure thing which will limit his availability. That said I can safely offer the following:

Today, 4/10 – 5:15 to 5:45p; Tomorrow, 4/11 – 8:30 to 10:00a; 2:30 – 3:00p; and Wednesday, 4/12 – 9:00 to 10:45a

Side note, there is a chance that our Director of Federal Relations to

the Governor, Alexander Cochran, may join as well if timing works. Please let me know if you have any further questions. I look forward to hearing back from you.

Regards, Justin

Ryan,

Sorry to bother you again. Just an FYI that in the transition confusion we accidentally sent the below meeting request to the wrong scheduler. The mistake has now been corrected. Just wanted to send a heads up in case you had a free minute to inquire about it and it wasn???t there. Thanks and apologies again for adding to an already overfilled inbox.Best,

Subject: Fwd: Meeting Request to Administrator Pruitt

Date: March 30, 2017 at 6:11:12 PM EDT To: Ryan Jackson < Jackson.ryan@epa.gov < mailto:Jackson.ryan@epa.gov >>

Ryan,

Congratulations on your new position. Sorry to bother you as I understand you have been so busy you haven't had time to pack up your old office. That said, I wanted to flag the below/attached meeting request as I believe it may be a model example to promote the theme the Administrator has raised about the benefits of delegating appropriate issues to states when they are best positioned to undertake a project or initiative. Anything you might be able to help with as far as shepherding this proposal through the process would be greatly appreciated. Congratulations once again and please don't hesitate to reach out with any questions.

Best, Mitch

Subject: Meeting Request to Administrator Pruitt

Dear Ms. Jenkins

Attached is a letter requesting a meeting with Administrator Pruitt regarding the Hudson River Superfund Site. This letter was sent by

Federal Express for delivery Thursday, March 30th.

I will be in Washington D.C. April 6th and 7th and would ideally meet with him at that time if his schedule permits. I will be attending Administrator Pruitt's address at the Environmental Commissioners of the States (ECOS) Friday the 7th -- one potential opportunity for a meeting. I will make myself available to accommodate Mr. Pruitt's schedule during this or a future trip.

With thanks,

Ned Sullivan

Somehow, we managed to let our Acting Deputy Administrator's birthday pass by without recognition. To make up for it, please come down to the Deputy's office at 12:30 today to sing the birthday song for the sake of Mike's embarrassment, and let's all eat a cookie together.

AND Shhhhhhhh! Keep it quiet. He told me he didn't want me to do anything, but I know he was lying.

PS: Please forward if you see someone's name missing.

Sharnett, we have an additional participant for the meeting on Monday (May 15) at 3:30 pm. Her is the full list:

- * Steve Berry, Volvo
- * Brian Mormino, Cummins
- * Paul Feenstra, PACCAR
- * Sean Waters, Daimler
- * Jed Mandel, EMA
- * Jason Quaranto, Navistar

Hello Sharnett. Hope you are doing well. We are preparing for our meeting with Ryan Jackson for Monday, May 15th at 3:30 pm. 3 questions:

- 1. We understand that Mandy Gunasekara will also join the meeting which is great. Will anyone else from EPA attend?
- 2. Can you provide details on where we will meet?
- 3. Do you need information from us on attendees or anything else?

Thanks for your help. See you soon!

Subject: Commercial Vehicle Manufacturers Mtg Request - April 19

Ryan, I hope you are doing well with your transition to the EPA. I will be visiting Washington, DC with several of my colleagues in the commercial vehicle industry and hope that you could meet with us on Wednesday, April 19th.

The participants in the meeting would be the President of the Truck and Engine Manufacturers Association (EMA) and executives from the major manufacturers – Cummins, Navistar, Paccar, Daimler and Volvo. Our intent is to discuss industry regulatory issues including the Phase 2 Fuel Efficiency and Greenhouse Gas regulations and the potential for a future low NOx rule.

We can be flexible on the timing for a meeting on April 19th. We are hoping that you would also invite other leaders in the Agency that could contribute to the discussion.

Please let me know what time would work and thanks for your consideration,

Brian

Show Time As Busy

The exercise, as you'll see below and attached, is now set for 11:45 a.m. -1:15 p.m. Fri., 6/23, at a FEMA National Response Coordination Center (NRCC) facility here in southwest DC (rather than 2:30 p.m. next Mon., 6/12, at the White House complex, as designated most recently). We're told that the scenario and the background materials are not likely to change, so the pre-briefing held for Mike yesterday (Mon., 6/5), as well as the excellent EPA briefing paper, should

continue to serve for 6/23.

Subject: Esri Meeting Request

Ryan,

Wanted to follow up on the previous conversation you had with Rich. Esri, the world's leading geographic information system company, wanted to come in and have a brief meeting with you next week. The afternoon of the 28th is wide open and I think we can find some time in the afternoon on the 26th or 27th if that works better for you.

Please let me know what works best for your schedule and if you need any further information from me. Also including a link below to a map

they did for House Natural Resources just to give you a specific sense of what they do.

The enviros deadline for a response is July 11th and then they are taking their stay request to the court. I don't feel compelled to respond, but want to flag this for everyone. Happy to organize a call tomorrow morning. Does 10 am work for a call?

Subject Senior Leadership Council Meeting - Day 1, PM only

Location WJC-N 3rd Floor, The Green Room **Attachments** SLC Agenda July 2017 v11.docx

Show Time As Busy

Hi everyone -

An important part of the FY 2019 budget development process is the Senior Leadership Council meeting. This meeting brings together all the senior leadership, HQ and the regions, to discuss agency priorities and resource needs in order to inform decisions for the FY 2019 Budget due to OMB in mid-September. Given there are many people new to this effort, Tuesday afternoon is dedicated to hearing from the program teams to establish a common understanding before launching into Wednesday's planning and resource discussions. Wednesday's sessions begin by setting the stage with presentations and discussions on key building blocks for the FY 2019 budget followed by small group and full group discussions to identify programmatic options for consideration in the FY 2019 OMB Submission. On Thursday, updates are proposed on the First Line Supervisor Advisory Group efforts and Executive Order implementation.

An agenda with more details will follow shortly and be included in the meeting invitation. You should receive and invitation for each day since the times vary. In addition, invitations to the +1s for Wednesday, 7/19, will be sent separately.

If you have any questions please do not hesitate to reach out to Mike Flynn or me.

Subject Senior Leadership Council Meeting - Day 2

Location WJC-N 3rd Floor, The Green Room

Show Time As Busy

Hi everyone -

An important part of the FY 2019 budget development process is the Senior Leadership Council meeting. This meeting brings together all the senior leadership, HQ and the regions, to discuss agency priorities and resource needs in order to inform decisions for the FY 2019 Budget due to OMB in mid-September. Given there are many people new to this effort, Tuesday afternoon is dedicated to hearing from the program teams to establish a common understanding before launching into Wednesday's planning and resource discussions. Wednesday's sessions begin by setting the stage with presentations and discussions on key building blocks for the FY 2019 budget followed by small group and full group discussions to identify programmatic options for consideration in the FY 2019 OMB Submission. On Thursday, updates are proposed on the First Line Supervisor Advisory Group efforts and Executive Order implementation.

An agenda with more details will follow shortly and be included in the meeting invitation. You should receive and invitation for each day since the times vary. In addition, invitations to the +1s for Wednesday, 7/19, will be sent separately.

If you have any questions please do not hesitate to reach out to Mike Flynn or me.

Thank you, Robin

Ryan,

I write to request a meeting on behalf of our client Ameresco in regards to the proposed 2018 volume requirements under the Renewable Fuel Standard program for cellulosic biofuel.

Ameresco http://www.rngcoalition.com/s. The Coalition's member companies generate cellulosic biofuel under the Renewable Fuel Standard and produce a predominant share of D3 RINs. Biofuel from RNG Coalition members comprised more than 90 percent of D3 RINs generated under the RFS in 2015 and 2016.

Ameresco and the Coalition for Renewable Natural Gas would greatly appreciate the opportunity to meet with you to discuss the proposed 2018 RVO. Should it be useful, we have attached copies of the Coalition's comments submitted to the EPA and OMB earlier this year.

I hope you had a great 4th and we look forward to seeing you soon.

Stratton

Ryan, Mandy,

We have Nick Bridge, the Foreign Sec's Special Representative https://www.gov.uk/government/people/nick-bridge, and Pete Betts, the UK's Director for International Energy and Climate, in the US next week (20th and 21st). Nick is a new appointment, previously the UK's ambassador to the OECD, and this is his first senior visit to the US.

They have a helpful overview of the UK's position and would be excellent contacts for the EPA. I suspect a meeting with the Administrator may be a push at this notice. They've very keen to meet senior advisors in the EPA to develop an understanding of the Administrator's direction on environmental protection, energy and climate issues.

I think you both met Archie Young, who works for Pete, in the margins of the G7 Environment Ministerial. I know Archie thought you would be good contacts for them to meet. It would be helpfully timed ahead of any potential visit from the Administrator to the UK.

Please let me know if you are available on Thursday or Friday next week. Mandy, I know we can't meet until the week after, but any time you can make would be welcome.

Thanks,

Alex

Christian: thanks so much for your assistance. I am glad I asked!

Aaron and Sharnett: As mentioned below, Congressman Young is hoping to schedule a brief, less than 15-minute phone call with Ryan Jackson. They are old colleagues from when they both worked in the Senate, so my boss wanted to reconnect and discuss glider kits. Does Mr. Jackson have any availability this coming Monday, July 24th? Congressman Young has wide availability 11a-12p or after 2:00p.

Ryan,

Attached is a letter I'd like 15 minutes on your schedule to chat with you about when you return on Monday. This woman's husband has permanent change of station (PCS) orders from the Army and her career managers are forcing her to quit EPA rather than working wither her to keep her job and her family together. As a former active duty U.S. Army officer, I'm appalled at how they're treating her and would like to chat with you to see what we can do.

I'll leave a hard copy with your secretary as well and talk with her about getting 15 mins with you on Monday. Thanks for your consideration.

Best, Joe

Ioo Edgall

Hi Wendy,

Hope you're well. I wanted to touch base on some of the issues discussed at dinner a few weeks ago, especially as we look at planning our Japan trip. I've also attached the one-pager we discussed on Mercury issues. I'd love to chat when you have a few minutes.

Also, Mandy will likely be getting in touch with you soon on the automobile executive order.

Hi Everyone- Thanks in advance for making this time work later today. I will join the call for the first thirty minutes, but then will leave folks to finish the second half without me as I need to be on a different call with outside folks. Maddie, if you could circulate or have someone who is in the office circulate the sample days/weeks that we can walk through on the call that would be great.

Thanks,

Kevin

EPA HURRICANE HARVEY EXECUTIVE UPDATE

When speaking please identify yourself and organization. Please MUTE your telephone when you are not speaking.

WELCOME REMARKS – Sam Coleman, Acting Regional Administrator

WEATHER/STORM FORECAST -

NOAA tracks the storm and up-to-date information is available at http://www.nhc.noaa.gov/ .

MANDATORY EVACUTION UPDATE -

Update of local jurisdiction Reports

FUEL AVAILABILITY UPDATE -

Update of State Reports

STATE/TRIBAL FEMA ASSISTANCE REQUEST STATUS -

As of today, FEMA has not received any assistance requests from the states of Texas or federally recognized tribes. Texas Governor Abbott has declared state of disaster for 30 counties. Louisiana Governor John Bel Edwards declared a state of emergency for the entire state of Louisiana in anticipation of severe weather as a result of Hurricane Harvey.

EPA READINESS/PREPAREDNESS -

While EPA has not been formally tasked by FEMA at the request of impacted states or tribes, EPA is

SUPERFUND NPL SITE STATUS -

In preparation for severe weather impacts, EPA assesses conditions at the NPL Superfund sites in the storm's pathway to identify potential impacts and countermeasures. Following the storm and receding floodwaters, EPA conducts rapid assessments to identify damage at sites and initiate cleanup plans if necessary.

PRIMARY INDUSTRIAL FACILITIES -

In preparation for severe weather impacts, EPA assesses conditions at the major industrial facilities in the storm's pathway to identify potential impacts and countermeasures. Following the storm and receding floodwaters, spills and releases are reported to the National Response Center. NRC notifies US Coast Guard or EPA based on preapproved jurisdiction boundaries. EPA conducts follow up inspections and damage assessments in response to reports within EPA jurisdiction.

PUBLIC WATER SYSTEM STATUS -

About 300 Public Water Systems are in the path (red zone) of Hurricane Harvey in Texas. Water systems often have problems due to flooding or loss of power during Hurricanes. Region 6 has developed a tracking system for us to identify systems in the storm's pathway. Both Texas Commission on Environmental Quality and Louisiana Department of Hospitals have uploaded their potentially impacted systems into Response Manager which enables planning for rapid assessments to restore water systems after the storm passes and flood waters recede.

EMERGENCY FUEL WAIVER STATUS -

The typical emergency fuel waiver request follows a path something like the following. An industry member will identify a failure in the fuel distribution system or at a refinery and raise it to Kurt, DOE and/or the state and Region. Since gas stations typically take deliveries two to three times per week, we normally have 24-72 hours before the system failure will lead to a retail shortage. In that time, the EPA/DOE team will hold calls with the potentially impacted state and industry to validate the issue and confirm relief is justified. Once an issue has been identified, the state air director on behalf of the governor will make a request for specific relief. The OECA team drafts a letter granting the relief for the Administrator's signature. DOE and OAR give concurrence on the letter and it is sent to the Administrator for signature. The signed waiver is quickly then disseminated to the impact states and industry members. The EPA press team will also issue a press release to increase awareness of the actions being taken to address potential fuel shortages.

COMMUNICATIONS UPDATE -

DHS Public Affairs initiated the National Incident Communications Conference Line on Thursday, August 24 and calls continue daily. The NICCL is a standing conference line designated, maintained, and supported by DHS Public Affairs as the primary means for interagency incident communications information sharing during an incident requiring Federal coordination. DHS Public Affairs provides guidance to Federal interagency public affairs headquarters staffs and affected authorities through the NICCL.

Infrastructure Legislative Proposal

When: Thursday, August 31, 2017 3:00 PM-4:00 PM (UTC-05:00)

Eastern Time (US & Canada). Where: Cordell Hull, EEOB 208

The National Economic Council will be hosting a Deputies Meeting on the Permitting Section of the President's Infrastructure Legislative Proposal on Thursday, August 31st at 3:00pm in Cordell Hull, EEOB 208. The purpose of this meeting is to discuss significant policy provisions in the permitting section of the President's infrastructure legislative package. The permitting legislative principles build on the Executive Order the President signed on August 15th and include proposed reforms to laws and policies that unnecessarily hamper infrastructure permitting, funding, and delivery. The permitting

section has been developed with staff across the Executive Branch, and this meeting will ensure Agency Deputies are informed regarding these proposals before the infrastructure package is released in September.

Please let me know if your deputy is able to attend. Each deputy is able to bring a +1. If you are able to attend and need to be cleared into the building, please use the link below: https://events.whitehouse.gov/form?rid=7J32YGX9T9 ARRIVAL DETAILS Enter the White House complex through the Visitors Entrance at 17th St NW and State Place NW. <mailto:Jessica.Franks@halliburton.com> > Subject: Halliburton Meeting Request

Ryan – hope all is well with you and you have had some time to enjoy the Summer along with the 24/7 work schedule you are keeping. I was writing to see if you might have time to sit down with members of the Halliburton iMPACT group which will be holding its DC Fly-in on Sept 27th .

The iMPACT group is comprised of the next generation of leaders within our company. These men and women are all high potential employees and represent a diverse segment of Halliburton's product service lines and the U.S. regions/district locations where we operate (OK, Houston, Denver, North Dakota). This year, 10 individuals will be participating in the Fly-in representing our production enhancement, cementing, landmark digital oil field, completion technologies, supply chain and consulting and project management service lines. They will be visiting with senior administration officials and members of Congress during their time in D.C.

The Halliburton team would welcome an opportunity to sit down with you and discuss the political and regulatory matters EPA is addressing along with your thoughts on ways iMPACT and Halliburton can assist in advancing the energy and environmental protection policy

objectives of the Trump administration.

The group's itinerary is fairly open but we are able to meet with you anytime late morning Wednesday, Sept 27th until the early afternoon that day. I hope that your schedule will allow us an opportunity to visit. Jessica Franks copied on this email can work with your staff in finding a date and time that works for you.

Hope all is well and look forward to seeing you. Please give me or Jessica a call if you need more info or have questions.

Subject Information Security Awareness Training

Show Time As Busy

Agency deadline is September 30!

IMPORTANT REMINDER

JUST 3 CALENDAR DAYS ARE LEFT

FOR CAREER & NON-CAREER EPA EMPLOYEES, CONTRACTORS, AND GRANTEES TO COMPLETE THESE SESSIONS

Make it a Priority to Get These Completed Today!

Have you completed all your mandatory training?

- * According to our latest daily tracking reports, nearly 100 career and non-career employees in AO have hardly started or have not started at all to complete these sessions.
- * You do not have an option as to whether or not you take these online courses and there will be no extensions given!
- * Later this week, we will be sending the list of names (who have yet to complete the sessions) to AO managers and supervisors so that they can personally follow-up with staff who must still complete these sessions.
- * Help keep AO high-performing and avoid disruption in your network access by completing these trainings before the deadline.
- * Are there consequences?? There are some consequences for not completing these sessions on time (e.g., you could lose access to the LAN if the Info Security Awareness Training is not completed on time). In addition, as we are coming up on the end-of-year performance discussions, this is likely something you would not want to discuss with your supervisor during the discussion.

Here is how to access the sessions:

* Go here to take the courses: Everyone, including career and noncareer current employees, contractors and grantees will find the courses they are to take in the "View Learning Plan & Mandatory Training" section on the EPA eLearning site http://go.usa.gov/xKZFd

- * YOUR user name and password are required to access the EPA eLearning site. All FY 2017 mandatory courses, including those for new employees are also listed on the EPA University SharePoint site: https://usepa.sharepoint.com/sites/OARM_Community/ EPAU/SitePages/Mandatory%20and%20Elective%20Traini ngs.aspx https://usepa.sharepoint.com/sites/OARM_Community/EPAU/SitePages/Mandatory%20and%20Elective%20Train ings.aspx>
- * The Six Courses to be Completed by Career and Non-Career EPA Employees are:
- o FY 2017 Information Security Awareness (takes 45-60 minutes)
- o 2017 Continuity of Operations (COOP) Awareness (takes 30 minutes)
- o Freedom of Information Act (FOIA) Awareness (takes 30 minutes) (Note: if you have yet to start this class, please take FOIA 2 as this is the most current version of the course)
- o FY 2017 Annual Records Management (takes 30 minutes)
- o Domestic Violence (takes 30 minutes)
- o Working Effectively with Tribal Governments (takes 30-45 minutes)
- * Checking your training course status is easy:
- 1. From the One EPA Workplace intranet page, click on the eLearning icon
- 2. Access the eLearning site by logging in using your LAN ID and password
- 3. Click "Upcoming" under My Tasks if you have mandatory training yet to take
- 4. You can also click on the Learning Plan icon to see your status for all FY17 mandatory training courses

Note: The status of a green circle means you've completed it, a half circle means it's been started but not completed, and a dashed circle means it hasn't yet been started.

- * INFO for EPA's New Employees: All new employees receive a Welcome to EPA eLearning email containing instructions for accessing training courses in the EPA eLearning site within two weeks of their employment. New employees are required to complete specific courses within their first 90 calendar days of employment. Otherwise, all courses are to be completed within 6 months. (See Second Attachment).
- * QUESTION Do New and Existing Agency Contractors and SEE Grantees have to Complete Some of These Sessions? Those contractors and SEE Grantees with an EPA e-mail account must complete the Information Security Awareness Training and the Domestic Violence training. The annual Records Management training

is required for those Contractors who are required to complete it based on the specific contract language.

* COR Employees Receive 1 CLP for each Course Completed!

If you have any questions or need additional assistance, please contact me.

Regards!

Ryan -

I just learned that Cong Cole had to move his meeting with Burns to 3:30pm, so that reduces our window on Wed afternoon somewhat. Ideally, would now like to meet @ 4:15pm or 4:30pm if convenient for you, but otherwise on thus morning. Just let me know, and thanks again. Regards.

Location Training for Active Shooter Preparedness

Show Time As Tentative

AO Colleagues,

Please plan on attending EPA's Active Shooter Response Training on Thursday, December 7th in WJCN 2530 starting at 9:00 AM.

It's important to prepare for a possible active shooter situation by locating the primary and alternate exits closest to you and walking through your work area to identify:

* Potential hiding places that provide cover (ballistic protection) and concealment (shooter cannot see you).
